HEADTEACHER'S WELCOME

Another very productive week has come to an end! Life in school is never boring and always moves at a fast pace.

It was great to see so many parents at the **Camps International** meeting on Wednesday evening and to hear the presentation about the expedition. It certainly sounds like an excellent opportunity and I'm sure our pupils and students will gain so much from the experience.

We are continuing to work closely with our Year 11 pupils as they prepare for their exams. Before half term we will be holding an evening for both parents and pupils to provide support, guidance and useful information to help with their preparation.

Yesterday we had a particular focus on safeguarding as we reviewed our systems and policies. It was fantastic to hear that our pupils and students know who they can turn to in school and are very clear about how we all work together to keep each other safe. This is a really important part of school life and it was reassuring to hear such positive feedback from our pupils and students.

As part of our ongoing commitment to safety we held a **fire drill last week**, giving pupils, students and staff the opportunity to practise our procedures. We are also preparing to hold a **lockdown drill** in the near future. We will make sure parents and carers are informed before this takes place so that everyone is aware of what to expect.

Just a reminder that **everyone coming onto the school site needs to report directly to the main reception.**

Thank you for your continued support in helping us to keep our school community safe.

I hope you have a great weekend!

With very best wishes,
Miss Caddell

MESSAGE FROM MRS MALLENDER

A Thank You to Our Parents and Carers

Thank you for sending them in uniform each day,
For teaching good manners in all that they say.
For homework, encouragement, and helping them through,
And reminding them, "Phones stay at home too!"

Thank you for guidance with friendships they make,
For helping them learn from each choice that they take.

For teaching them **kindness**, and giving them **courage**,
To face every challenge, whatever the journey.

And thank you for sharing your children with us,
For trusting our school — for your kindness and trust.
We'll support them, encourage them, and help them aspire,
As they chase their ambitions and reach ever higher.

You're Invited!

Whitby School invites you to our Year 5 & Year 6 Open Evening on Thursday 8 October, 4.15-6.30pm on the Airy Hill site.
(Doors open 4.15pm, more details on reverse)

This is an opportunity to look around the school, chat with the Y7 team and meet both staff and students from Whitby School.

Please join us if you can!

Whitby school

Dear Year 5, Year 6 Families,

Whitby School invites you to our Year 5 and Year 6 Open Evening on Thursday 8 October, 4.15-6.30pm on the lower school (Airy Hill) site.

This is an opportunity to look around the school, chat with the Year 7 team and meet both staff and pupils from Whitby School.

Doors will open at 4.15pm. Classrooms will be open from 4.30pm. We will deliver a welcome talk at 4.30pm, and it will be repeated at 5.30pm.

We look forward to welcoming you to our school.

SAFEGUARDING UPDATE

Healthy Friendships and Peer Influence: Supporting Young People to Make Positive Choices

Healthy friendships play a huge role in your child's wellbeing, confidence and sense of belonging at school. As part of our recent assemblies on **safeguarding and personal responsibility**, we've been helping pupils understand how their friendships influence the choices they make and how they can stay kind, safe, and true to themselves as they grow.

Recognising Pressure

Young people often want to fit in and peer pressure can be subtle. It might look like:

- feeling pushed to join in with behaviour they know isn't right
- worrying they'll lose friends if they say no
- changing how they act to avoid being left out.

Helping children recognise these moments is an important step in developing confidence and independence. A quick conversation at home - "What would you do if...?" - can make a big difference.

Kindness Strengthens Friendships

Kindness is one of the most powerful tools young people have. It helps them build friendships that are supportive, respectful and long-lasting. We encourage pupils to:

- check in on friends who seem quiet or withdrawn
- include others who may be feeling left out

- avoid joining in with unkind behaviour, even if it sometimes feels easier.

Kindness is a key part of personal responsibility: choosing to do the right thing, even when it's not the easiest option.

Boundaries: Knowing What's OK

As children move through secondary school, they begin to set boundaries - deciding what feels right for them and what doesn't. Healthy boundaries might include:

- not taking part in malicious gossip or online cruelty
- saying no when something feels uncomfortable
- asking for space when they're stressed or overwhelmed.

Parents and carers can support this by reassuring children that saying "no" is not rude - it's protective.

Working Together

Our aim is to help pupils build friendships that are supportive, honest, respectful and kind. By talking openly at home about pressure, kindness and boundaries, you can help reinforce the message of personal responsibility we're sharing in school.

As always, if you have any safeguarding concerns about your child or any other young person, follow the Speak Out Safely icon on our website or email dsl@whitbyschool.co.uk.

CELEBRATING YEAR 7s

A huge well done to all our Year 7's who have been ambitious this week in all that they do! Each week we check class charts, and the top five pupils receive a postcard and their name is featured on the leader board in school! This lovely bunch also got a 'spin on the wheel' too for being so kind and congratulating one

another on their achievements. We are so proud of our Year 7's for promoting a friendly and warm atmosphere and developing a positive reward culture by celebrating their friends doing well!

NSEA - NATIONAL SCHOOLS EQUESTRIAN ASSOCIATION

Information for Parents and Carers

We are delighted to support our pupils in taking part in **NSEA (National Schools Equestrian Association)** competitions and to provide opportunities for riders to represent the school in a range of equestrian disciplines.

About the NSEA

The NSEA is the recognised organisation for equestrianism in schools throughout the UK. It provides opportunities for both **team and individual riders** to compete at local, county, regional and national levels.

Competitions are available in a variety of disciplines, including:

- Dressage
- Show Jumping
- Arena Eventing
- One Day Events
- Hunter Trials
- Tetrathlons.

The competition calendar culminates in the annual **National Schools Championships**, which take place in October.

Membership

NSEA membership runs from **1 September to 31 August** each year.

Membership must be renewed before pupils can compete in NSEA competitions taking place after 31 August.

For full information regarding membership requirements, competition rules and the range of competitions available, please visit the NSEA website:

www.nsea.org.uk

Riders are welcome to participate in whichever discipline or disciplines they are interested in and can

choose to enter competitions **as part of a team or as an individual.**

Responsibilities of Parents and Carers

Parents and carers will be responsible for the following:

- transporting their son/daughter and their horse to and from competitions
- ensuring their child's health, safety and wellbeing throughout the event
- arranging any appropriate insurance
- booking and paying for competition entries.

The exception to this is the **National Schools Championships**, for which I will coordinate the entries.

We hope that pupils will take advantage of the opportunities available through the NSEA and enjoy representing the school while developing their skills and experience in equestrian sport.

Please do take some time to explore the NSEA website for further information about membership, competitions and entry requirements.

Kind regards,
Mrs Verrill

Legal Changes to Phones in Schools

Smartphones, smartwatches and similar devices are now restricted in English schools – **here's the breakdown**

What's changing

From June 29, **all state-funded schools** in England must be **phone-free during school hours**. This covers **smartphones, smartwatches** that receive **notifications**, and similar devices.

The rule applies **bell-to-bell** – from entering the school gates to the final bell. **Years 12 and 13** may use phones **only in designated sixth-form areas**, and not in front of younger pupils.

The law is **England-only** – Scotland, Wales and Northern Ireland follow their own guidance.

Why it's happening

The government says phone-free days aim to:

- Reduce distraction
- Cut cyberbullying
- Ease social media pressure
- Improve wellbeing and focus
- Support attendance and behaviour

Teachers report **better communication, concentration, and classroom atmosphere** when phones are removed

How our school will enforce it

If phones are seen or heard, they will be **confiscated**.

"No see, no hear" – phones kept off and out of sight in bags.

Less distraction. More learning. Stronger community.
Together, we make every day a success.

NOTICES

HEALTH AND SOCIAL CARE

Health and Social Care are doing lunch time interventions Tuesday and Thursday lunch time in N6 and N9 every week. All HSC pupils and students are welcome. Pupils and students are encouraged to attend if they have missed a lesson, or if they just want a quiet space to work. All Health and Social Care coursework has to be completed under teacher supervision.

Thanks

KCSIE 2026 IS HERE

Are you ready?

HERE ARE THE TEN BIGGEST CHANGES YOUR WHOLE SCHOOL NEEDS TO KNOW.

The new statutory guidance has been published and comes into force on 1 September 2026. The changes make consistency and collaboration in safeguarding the expectation for all.

1 EVERYONE READS PART ONE. IN FULL.

The condensed version (old Annex A) has gone. Every member of staff, whether teaching, admin, catering, or site staff, must read and understand the whole of Part One.

2 MOBILE PHONE FREE BY DEFAULT.

For the first time, it is in statutory guidance: schools should be phone-free environments, with anything else by exception only, across lessons, breaks, and lunch.

3 ONLINE HARM IS REAL-WORLD HARM.

Deepfakes, AI-generated imagery, and sextortion are named for the first time. The word 'sexting' has gone. The guidance now talks about 'making or sharing nudes and semi-nudes', and every incident needs a safeguarding response, consensual or not.

4 WEAPONS: REPORT STRAIGHT AWAY.

Any concern that a child is carrying, has used, or intends to use a weapon goes to the DSL immediately. The DSL assesses the risk and puts a safety plan in place.

5 MISOGYNY AND ITS POTENTIAL TO ESCALATE.

The guidance recognises the escalatory nature of misogyny. Banter and 'boys being boys' can be the start of a behaviour pattern that ends in sexual violence. Challenging it early is everyone's job.

6 MENTAL HEALTH, EXPANDED.

There are new warning signs for all staff, and clear crisis routes: call 999 or go to A&E if a child is in danger.

7 GENDER-QUESTIONING CHILDREN.

Statutory for the first time. Schools do not initiate social transition. Decisions are made case by case and documented, with parents usually involved, and there are firm rules on single-sex spaces and sport.

8 VOLUNTEERS NEED CHECKING.

The Crime and Policing Act 2026 removes the supervision exemption. Volunteers who teach, train, or supervise children on more than three days in a 30-day period, or overnight, are now in regulated activity, however closely they are supervised.

9 FAMILY HELP: ONE JOINED-UP OFFER.

'Working Together to Safeguard Children 2026' brings targeted early help and support for children in need into a single coordinated offer. All staff should know how children can benefit and how to refer.

10 RECORDS THAT PROTECT EVERYBODY.

A good record now has a clear standard: a summary, the action taken, the decisions made, the reasons for them, and the outcome. A note that says 'spoke to child, fine now' fails the test.

ALSO ON THE RADAR

- Operation Encompass is statutory: police notify schools of domestic abuse incidents before the next school day.
- Filtering and monitoring must be reviewed at least annually, with records kept.
- Cyber security is now a safeguarding issue.
- There is a new section on children with medical conditions.
- Trainee teachers are named in allegations procedures.
- Child protection files transfer within five days, with a conversation between DSLs as good practice.

What difference does Place2Be make in your child's school?

Place2Be is a charity working in schools to improve the emotional wellbeing of children.

How Place2Be works

The Place2Be room is a place where children and young people can go to share their worries, through talking and creative work. Our team helps children and young people to find ways of coping with difficulties, so they can focus on their learning and building friendships.

"Oh, she has definitely changed...in the way she feels about her school life, her home life, and just the way she is in herself - she is a lot happier."

How we help

Children and young people

Place2Be works with children one-to-one and in small groups, offering regular support for those who will benefit most. All pupils can find help with friendship issues, school pressures and other worries.

Families

Parents and carers of children and young people in Place2Be schools can access free advice, resources and services as part of our support for the whole school. Learn more at place2be.org.uk/family.
